***Response to Amendment***

1. Applicant's arguments filed 4/24/08 have been fully considered but they are not persuasive. Applicant on 4/24/08 had filed a response to the office action filed on 1/24/08. Applicant without any response or rebuttal of the rejected claims has added the limitation of the objected claims into the independent claims while broadening the independent claims by cancelling part of the limitation of the independent claims, for example note claim 1, while claim 4 was objected to and the form paragraph specifically cites "Claims 4-6, 8-12, 14-34 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims" Applicant has failed to properly include claim 4 in claim 1 as claim 1 was written originally. Same process is given to the rest of the objected claims for instance claims 8, 9, 14, 21, 23, 27, 31, 33 etc, In these instances the base claim 1 has been broadened while incorporating the objected claim in the independent claim and in some instances the dependent claims are not fully incorporated into the independent claims.

***Conclusion***

2. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37

Art Unit: 2625

CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
